

I am a teacher, researcher and an educational activist. Currently I live in [Oulu, Finland](#) and work at

[Oulu University](#)

and

[Oulu Lyseo Upper Secondary School \(Oulun Lyseon Lukio\)](#)

. I have over 20 years experience teaching economics, theory of knowledge and mathematics in England, Kenya, Japan and Finland. I am a specialist in education for sustainable development, ecological economics and and globalisation. More recently I have become involved with Education for Gross National Happiness (GNH) in Bhutan.
